JESSE SOOCEY,

Defendant.

CASE NO. MJ19-5244

COMPLAINT for VIOLATION

Title 18, United States Code, §§ 922(u)  
and 2

BEFORE Michelle L. Peterson, United States Magistrate Judge, Seattle,  
Washington.

**COUNT 1**

**(Theft From a Federal Firearms Licensee)**

On or about August 9, 2019, at Tacoma, within the Western District of  
Washington, JESSE SOOCEY, and another person unknown to the United States,  
knowingly and intentionally forced entry, and aided and abetted the forced entry, into the  
Bull's Eye Indoor Shooting Range, a business licensed to engage in the dealing of  
firearms, while the business was closed and locked, and stole and unlawfully took and  
carried away from the premises twenty-four (24) handguns from the business inventory,  
all of which were firearms that had previously been shipped or transported in interstate or  
foreign commerce.

All in violation of Title 18, United States Code, Sections 922(u) and 2.

1 And the Complainant states that this Complaint is based on the following  
2 information:

3 1. I Andriy I. Vavilin, being duly sworn, depose and state, that I am a Special  
4 Agent (SA) with the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF),  
5 United States Department of Justice, and have been so employed since July of 2017. I  
6 am a law enforcement officer of the United States, and am empowered by law to conduct  
7 investigations of, and to make arrests for, offenses against the United States, as codified  
8 at Title 18, United States Code, Section 3051. I have completed the Federal Law  
9 Enforcement Training Center Criminal Investigative Program and the ATF National  
10 Academy Special Agent Basic Training Program in Brunswick, Georgia. Prior to  
11 becoming an ATF Special Agent, I graduated from Rowan University and received a  
12 Bachelor's of Arts Degree in Law & Justice (Summa Cum Laude). From 2014 to 2017,  
13 I was employed as a Police Officer with the United States Capitol Police.

14 2. During my professional training and experience, I have both assisted in and  
15 conducted investigations into firearms and narcotic violations. I have also participated in  
16 undercover operations, and in the execution of search warrants at locations associated  
17 with these individuals. During the execution of search warrants, I have participated in the  
18 recovery of evidence related to firearms and narcotic violations. Through this experience  
19 and training, and based upon the experience of other Special Agents which have been  
20 relayed to me, I have become familiar with the modus operandi of narcotic dealers and  
21 narcotic traffickers and illegal possessors of firearms and ammunition as enumerated  
22 herein.

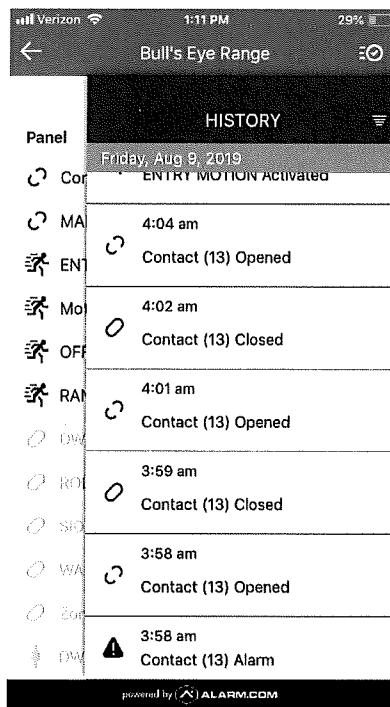

23 3. I have been involved in an investigation, which is the subject of this  
24 Affidavit. Due to my personal participation in this investigation and reports made to me  
25 by other ATF Agents and other Law Enforcement Officers, I am familiar with the facts  
26 and circumstances surrounding the investigation. My training and experience as a  
27 Special Agent, including participation in this investigation, form the basis for the  
28 opinions and conclusions set forth below.

1           4.     Since I am submitting this affidavit for the limited purpose of establishing  
2 probable cause, however, I have not included each fact known to me concerning this  
3 investigation. This Complaint is being presented by electronic means pursuant to Local  
4 Criminal Rule CrR 41(d)(3).

5                           **SUMMARY OF INVESTIGATION**

6           5.     On August 9, 2019, Tacoma Police Department (TPD) and ATF responded  
7 to Bull's Eye Indoor Range, located at 414 Puyallup Avenue, Tacoma, Washington, in  
8 response to a report of a burglary. Bull's Eye is a Federal Firearms Licensee (FFL) that  
9 sells firearms and ammunition. Officers and agents contacted several employees of the  
10 business who stated the security alarm was activated at approximately 4:00 a.m. An  
11 initial review of the scene and security footage indicated one individual, likely male,  
12 entered and exited the business through a roof access point, and stole more than 20  
13 firearms from the range display case. Employee K.C. arrived to open Bull's Eye at  
14 approximately 8:40 a.m., August 9, 2019. K.C. stated she opened the front door and  
15 heard the alarm active. K.C. stated she walked to the alarm panel, noted the system  
16 stated the roof was triggered, and turned off the alarm. K.C. stated she observed firearms  
17 missing from the counter/display case at the range and attempted to call co-owner D.W.  
18 K.C. stated she then called co-owner M.D. to notify him of the burglary, and walked back  
19 into the rear classroom of the Bull's Eye range. K.C. observed the roof access point was  
20 open. K.C. stated she then contacted the police and was advised to exit and wait.

21           6.     M.D., co-owner of Bull's Eye, advised the agents that the security company  
22 called him at 4:10 a.m. but he did not answer the call. M.D. stated the security company  
23 did not dispatch police response to Bull's Eye. The first alarm was activated on the roof  
24 access at 3:58 a.m. M.D. provided agents with a screenshot of the alarm notifications he  
25 received on his cellular telephone.

7. During the canvas of the area, agents contacted L.W. and T.L. in an empty lot at the corner of the alley behind Bull's Eye and East E Street. L.W. stated he was homeless and was sleeping when he awoke to a loud "boom" and shortly thereafter two unidentified males yelling. L.W. approximated it occurred around 4:00 a.m. L.W. stated he briefly observed the driver and passengers exit the vehicle and appear to change roles/seats to passenger and driver. L.W. believed the truck scraped, impacted or otherwise made contact on the driver's side with the exterior wall of the building. L.W. stated he could not describe the two men due the darkness of the alleyway, but believed one was approximately 5'7" and medium build. L.W. stated the truck sped east down the alley and into the Tacoma Dome Station parking garage. As the truck passed, L.W. observed the truck more closely and recognized the vehicle as a possible silver Chevrolet Silverado. L.W. believed the Silverado to be a model year 2014 and described it as having stickers in the rear window and floodlights on the roof. L.W. did not observe a license plate.

1        8. Agents reviewed surveillance footage from Bull's Eye. Agents observed  
2 that the security footage (*i.e.*, on-screen clock) was approximately 26 minutes slow. At  
3 approximately 04:50:32 a.m. (approximately 5:16 a.m. actual time), an unidentified  
4 burglar, wearing all black with his face concealed (hereafter S1), wearing a backpack, is  
5 observed on the security footage entering the main/common area of Bull's Eye from the  
6 classroom with ladder/roof access.

1           9.     A TPD Crime Scene Technician responded and documented the scene with  
2 photographs. TPD seized a grey-colored, Velcro strap with a plastic clip/buckle that was  
3 collected from the common area; a black-colored "Streamlight ProTac 2L" brand  
4 flashlight, located in the room with the display cases on the cashier's side; and a black  
5 tire iron located on the roof.

6           10.    An ATF Industry Operations Investigator (IOI) responded to the scene to  
7 conduct the comparison between the firearms physically present inside of the business,  
8 to firearms recorded in the Acquisition & Disposition books. The IOI advised ATF SA  
9 Andriy Vavilin that Bull's Eye originally reported 25 firearms were missing, but one  
10 was later recovered near the suspect's point of exit, thereby bringing the count to 24.  
11 Therefore, it was determined the following 24 handguns to be missing from the  
12 inventory:

13           CZ Model P-07 – .40 caliber – s/n: B506058

14           CZ Model P-09 - .40 caliber – s/n: B420655

10 11. On August 9, 2019, ATF SA Vavilin obtained surveillance footage from  
11 Pierce Transit Department of Public Safety located at 510 Puyallup Avenue, Tacoma,  
12 Washington.

13 12. SA Vavilin and Pierce Transit officers reviewed surveillance footage from  
14 Tacoma Dome Station, covering Puyallup Avenue, East E Street and E 25th Street and  
15 the parking garage. The video reviewed was timestamped approximately 0300 to 0530  
16 hours, August 9, 2019.

17 13. ATF agents also obtained and reviewed surveillance footage from  
18 America's Credit Union (ACU) located at 401 E 25th Street, Tacoma, Washington.  
19 Agents reviewed surveillance footage for the alley between East D Street and East E  
20 Street, covering from approximately 0300 to 0530 hours, August 9, 2019. Those  
21 surveillance cameras are facing the alley located south of Bull's Eye. Several still shots  
22 from those video systems (Pierce Transit and ACU) follow.

15  
16 Screen shot of the Washington State license plate on the Toyota pickup. A partial  
17 visible plate of "C5330" was captured by Pierce Transit Camera 38.

14. SA Vavilin queried the Washington Department of Licensing database of driver's license and license plate information. SA Vavilin conducted a partial plate search of "C5330" on Toyota Tundra's, which returned license plate "C55304F" as one of four possible matches. The other three possible matches all carried Eastern Washington addresses. C53304F returned as a 2009 Toyota Tundra (VIN #5TFBV54129X088404) and registered to Jesse Jared SOOCEY, date of birth: 02-10-1989, residence address: 1010 31st Street NE, Auburn, Washington. Additionally, a Honda Model CR125R motorcycle, red in color, is registered to SOOCEY with the off-road vehicle registration number 481319A

15. SA Vavilin conducted a criminal history query of SOOCEY, which returned the following felony convictions: *Taking Motor Vehicle without Permission-2* in 2006, *Residential Burglary* in 2005, and *Possession of a Firearm-2* in 2002. It appears that all three in time may be juvenile adjudications.

16. Furthermore, SA Vavilin conducted a social media search for SOOCEY. SA Vavilin identified a Facebook page for SOOCEY.

<https://www.facebook.com/jesse.soocey>

17. SA Vavilin reviewed SOOCEY's Facebook photos and observed a photograph of a Silver Toyota Tundra and Honda motorcycle uploaded on SOOCEY's Facebook page on April 19. Off-road vehicle registration number 481319A appears on a sticker on the motorcycle below the handlebars. It was noted earlier that "S2" appeared to be wearing a hat with a Honda logo in the videos taken around the time of the Bull's Eye burglary.

18. The Toyota Tundra shown in the photos on SOOCEY's Facebook page (posted April 19 and April 30) is similar in appearance of the Toyota Tundra in the surveillance footage still shots around the time of the Bull's Eye burglary on August 9, 2019.

19. In addition to the make (Toyota), model (Tundra), and color (silver), there are similarities in tow mirrors, tube steps and rims on the vehicle. Furthermore, SA Vavilin contacted a Toyota dealer in Tacoma, Washington. Upon review of the photographs from surveillance footage, dealer employees determined the vehicle appears to be a 2009 Toyota Tundra Double Cab (4X4) with tow mirrors, tube steps and aftermarket rims. The description appears to be consistent with the photographs of SOOCEY's Toyota Tundra on his Facebook.

1           20. In December, 2018, Auburn Police Department responded to 1010 31<sup>st</sup>  
2 Street NE, Auburn, Washington to a report of domestic violence. A.S. informed the  
3 police that she had been married to Jesse SOOCEY for eight years and they had separated  
4 roughly one month prior, after Jesse SOOCEY began using methamphetamines. A.S.  
5 stated her current boyfriend, E.P., was leaving her residence to go to work when  
6 SOOCEY ran after him and chased him back inside A.S.'s home. Jesse SOOCEY began  
7 to knock and kick on the front door of the residence, causing the door frame to break.  
8 When interviewed by police, Jesse SOOCEY said he was upset and admitted to chasing  
9 E.P. and stated he did not know what he was going to do to E.P. if he had caught him.  
10 SOOCEY stated he was upset because he had previously told A.S. not to allow males into  
11 their residence after their separation.

12           21. In May, 2019, Auburn Police Department responded to a different address  
13 in Auburn, Washington, regarding a report of theft/fraud. P.Y., who described himself as  
14 the ex-father-in-law of Jesse SOOCEY, told officers that SOOCEY had stolen one of his  
15 checks and forged it in the amount of \$1,200 before cashing it. P.Y. discovered the theft  
16 when he noticed his checking account balance was negative-\$700. P.Y. stated he logged  
17 into his online banking account and discovered a check cashed for \$1,200.00 made out to  
18 Jesse SOOCEY. P.Y. told the officer he never gave SOOCEY permission to conduct the  
19 transaction. P.Y. stated he had let SOOCEY live with him for a short period of time.  
20 The case was filed as a Class C Felony in April 2019 in King County Superior Court.

21           22. On May 25, 2019, TPD Officer Wallin observed SOOCEY's vehicle, the  
22 Toyota Tundra bearing Washington plate C53304F, parked on the side of the road at the  
23 base of the I-705 northbound off ramp to East 26th Street. The vehicle was impounded  
24 for safekeeping. TPD Officer Wallin reported the vehicle was abandoned and  
25 unoccupied. Additionally, TPD Officer Wallin reported the front passenger window had  
26 been damaged. The towing company reported Jesse SOOCEY picked up his vehicle the  
27 next day, on May 26, 2019. The location where the Tundra was impounded is  
28 approximately 0.3 miles from Bull's Eye.

1           23. On or about August 16, 2019, Auburn Police officers recontacted P.Y.  
2 regarding SOOCEY's current whereabouts. P.Y. stated he had not seen SOOCEY  
3 recently, but heard he was homeless and living out of his truck in Tacoma, Washington.

4           24. An employment check for SOOCEY revealed he has been employed since  
5 2016. Wages reported to the Washington State Employment Security Department for  
6 2018 and 2019 revealed a significant decrease of reported wages in the first two quarters  
7 of 2019. SOOCEY earned approximately \$38,573.77 in 2018, compared to only  
8 approximately \$7,655.17 in the first half of 2019.

9           25. Nine days after the Bull's Eye burglary, the stolen firearms began showing  
10 up on the street. [REDACTED]

29. On October 14, 2019, SOOCEY was arrested by Puyallup Police Department (PPD) on an outstanding King County Superior Court warrant for forgery and was booked in Pierce County Jail. On October 15, 2019, SA Vavilin and WSP Detective Matt McMillen interviewed SOOCEY at Pierce County Jail. Investigators introduced and identified themselves with their issued law enforcement credentials. The purpose of the interview was to obtain information related to the Bull's Eye FFL burglary that occurred on August 9, 2019 in Tacoma. SA Vavilin explained ATF Form 3200.4,

1 Advice of Rights and Waiver to SOOCEY, who then completed the form and agreed to  
2 speak with investigators.

3 30. SOOCEY confirmed his name as Jesse Jared SOOCEY [REDACTED]  
4 [REDACTED] SOOCEY  
5 confirmed his Facebook page name is Jesse SOOCEY. SOOCEY stated he recently quit  
6 his job. SOOCEY stated he was employed as a roofer working for a company named  
7 Roof Masters. SOOCEY stated his previous employer was AMPAC for 12 years.

8 31. When questioned regarding his criminal history, SOOCEY stated he had a  
9 history of theft, burglary, and firearm offenses as a juvenile. SOOCEY confirmed he  
10 knows that he is not able to possess firearms.

11 32. Investigators began to question SOOCEY regarding his recent criminal  
12 history. Detective McMillen asked SOOCEY regarding his knowledge of the Bull's Eye  
13 gun shop. SOOCEY asked, "Bull's Eye? What's that?" SOOCEY nonetheless  
14 confirmed he was aware of the Bull's Eye history, referencing the DC sniper incident.

15 33. Detective McMillen asked SOOCEY what type of vehicle he drove.  
16 SOOCEY confirmed he drives a Toyota Tundra with a tonneau cover on the cargo bed.  
17 SOOCEY stated no one else drives the Toyota Tundra but himself. SOOCEY stated he  
18 also rides a dirt bike but had recently sold it.

19 34. Detective McMillen presented a photograph of the Toyota Tundra from  
20 SOOCEY's Facebook, which he confirmed as his own. TFO McMillen then presented  
21 surveillance footage still shots of the vehicle around the area of Bull's Eye and Tacoma  
22 Dome Station parking garage around the time of the burglary on August 9, 2019.  
23 SOOCEY did not provide an affirmative denial or admission to the evidence and was  
24 mostly silent.

25 35. SA Vavilin presented a surveillance footage still shot to SOOCEY of a  
26 suspect matching his description who was wearing a red hat and walking on E 25<sup>th</sup> Street  
27 prior to the burglary. SOOCEY responded stating the picture was "pretty blurry."

36. Detective McMillen questioned SOOCEY if the burglary was his or his associate's idea to which he responded, "You know I can't do that." Detective McMillen stated the investigators knew SOOCEY was involved in the burglary. SOOCEY stated, "I had nothing to do with that, you will have to prove it in court." SOOCEY stated he did not want to continue to speak without an attorney present and that he did not want to "fuck himself." Investigators stopped the questioning and concluded the interview.

37. Later that day, SOOCEY was released from Pierce County Jail. At approximately 4:45 p.m., ATF agents observed SOOCEY get into his Toyota Tundra bearing Washington license plate C53304F and leave the residence located 6818 124<sup>th</sup> Street E, Puyallup, Washington.

### CONCLUSION

38. Based on the foregoing, I respectfully submit that there is probable cause to believe that JESSE SOOCEY committed the crime of Theft From a Federal Firearms Licensee, in violation of Title 18, United States Code, Sections 922(u) and 2.

ANDRIY VAVILIN, Complainant  
Special Agent, ATF

The above-named agent provided a sworn statement attesting to the truth of the contents of the forgoing affidavit on the 26<sup>th</sup> day of November 2019. The Court hereby finds that there is probable cause to believe the defendant committed the offenses set forth in the Complaint.
